Highlight Reel

November 2019

Professional Code of Conduct

- Robert Mazzotta from Member Services attended our Nov. LCM (Local Council Meeting) to talk about the Code of Professional Conduct.
- Any questionable behaviors amongst colleagues can be deemed “unprofessional misconduct.”
- Before you file a complaint, call Member Services (they will give advice and strategies on how to deal with the situation).
- If you have an issue with a colleague, speak directly to that colleague.
- Remember, you must abide by the code while trying to resolve an issue.
- There are 22 articles in the code of conduct – be informed.

I ♥ Public Education

- All staff (teachers, Program Assistants, Support Staff, etc) are encouraged to purchase an “I ♥ Public Education” t-shirt and come together in solidarity for public education by wearing their t-shirts every Thursday.
- T-shirts are \$10 – contact your school rep to order one before Friday, November 30th.

ATRF (Alberta Teachers’ Retirement Fund)

- “Offended,” “irritated” and “frustrated” are the words used to describe teacher reaction to the passage of Bill 22, by Alberta Teachers’ Association president Jason Schilling.
- Teachers are concerned that rolling their investments into AIMCo will mean the plan will be less able to respond to their needs and concerns, be less accountable, and force an increase in contribution rates.
