## Highlight Reel

October 2020

### **Facebook Page Proposal**

- Watch the DEHR November newsletter for more information regarding a Facebook page where PHPS teachers have a safe place to communicate and get mental health support.

### **Vista Virtual Scholarship**

- VV is Alberta's largest online school.
- A second scholarship award has been approved for Vista Virtual for this year as an over expenditure.

### **Teacher Reduction Plan**

- Morale across the district has been impacted by the Teacher Reduction Plan.
- The ATA does not approve of the Teacher Reduction Plan, nobody wants to see staff losing their positions.
- The association is here to protect teacher's jobs.
- However, the ATA is collaborating with PHPS with regards to the plan and our district is actively involving the ATA every step along the way.
- If you have ANY questions with regards to the TRP, please contact Brett Cooper directy.
