- ATA would like to hear from teachers about the realities of teaching and learning conditions in classrooms.
- To gather stories from teachers in the least intrusive way possible, we are asking you to share stories through Vocal Video.
- When we gather the stories, we will not share your faces or names of people, only relative locations. We will not use their voices, rather simply gather their stories.

Substitute Teacher Everything Gift Cards

- If you see a substitute teacher in your school, encourage them to check their division email for their gift card. It is possible the gift card went to junk mail too.
