Central Table Bargaining and Wear Red for Ed.!

- As teachers continue provincial bargaining, it is encouraged that we wear red on days we go to the table, in addition to Red for Ed. on Fridays. Upcoming bargaining dates are October 28/29.
- Take a picture with your staff! You might be a winner if you post it to our local 22 or ATA accounts!
- The Bargainer's Blog is the best way to keep updated on central table bargaining. This can be accessed by signing into the 'Members Only' area of the [ATA website](#). (You can create an account using this link if you don't have one.) The blog will be updated the day following each set of bargaining dates.

****NOTE:** The ATA Local needs to collect a list of all teachers, by school, including name, home address, personal email and phone number. Your school representative will be coming to each active member to collect this information. The Labour Relations Board will require this in the event of a strike vote.

Are you interested in participating in a focus group?

- A research team at the University of Lethbridge together with the Prentice Institute for Global Population and Economy is conducting research with teachers from the northern districts of the province on increasing classroom complexity. They are also interested in teacher profession outlook and retention. They are looking to conduct the research in November over Zoom or a phone call.
- If you are interested, please view [this correspondence](#) and contact Carly Heck, Research Associate at carly.heck@uleth.ca
