### Preparations Begin for Central 2020

On 2020 01 16, the Central Table Bargaining Committee (CTBC) met to continue preparing for the upcoming round of central table bargaining. CTBC is made up of five members of Provincial Executive Council: Peter MacKay, Darrin Bauer, Heather McCaig, Carmen Glossop and Murray Lalonde, as well as Association staff. CTBC is busy developing strategy for the upcoming round and are working on the bargaining needs survey which will be coming to all bargaining unit members in March.

Peter MacKay, District Representative for North West is chair of CTBC.

Peter is a proud father of two and has been happily married to Stephanie for 29 years.

He has been a teacher since 1997—three years with Peace River School Division and the rest with Grande Prairie Catholic Schools. During that time, he wore a number of hats—a grades 6 to 12 teacher, a school counsellor, a special needs teacher, and three years as Principal of St Thomas More school in Fairview. In addition, he played a variety of volunteer roles—16 years of coaching, drama club liaison, MC for dozens of school events, and countless other times when he volunteered.

Throughout his career, he has been active in the Association in a variety of roles at the local level—President, Teacher Welfare Committee (TWC) and Negotiating Sub-Committee member, TWC chair, and a member of many other committees (C2, DEHR Committee, Teacher Board Liaison, among others). He has also been active in the provincial association as a Retirement Consultant and, subsequently, as a Teacher Welfare Liaison. And, of course, he has been fortunate enough to have spent the last two and a half years as a member of the Association's Provincial Executive Council, which has included assignments to several committees: Central Table Bargaining Committee, Curriculum Committee, Indigenous Education Committee, and the School Leaders Issues and Concerns Committee.

Peter is happy and proud to continue serving the teachers of the North West as their representative on Provincial Executive Council.

You will get to know other CTBC members throughout the next few months
